Dear Friends,

Faced with the magnitude of the devastating effects that the oil spill is having on the environment in the Gulf and our planet, it is human to feel helpless and point fingers at those responsible. This disaster is an opportunity for humanity to awaken to the reality that fear anger and blame just adds fuel to the situation, and that as consumers of oil products we all have a share of responsibility to bear and can contribute to finding a solution. As Reiki practitioners we can send Reiki to the area and those working towards finding a solution, but even if you do not have Reiki there are other avenues available that can make a difference.

Dr Masaru Emoto famous for his extensive research on how the energy of love changes the molecular structure of water at the quantum level, invites us to join him in saying the following Ho'oponopono "Prayer For The Gulf of Mexico." :

"To help clear the toxins from the water, let's all give the energy of love and gratitude to the ocean and all the living creatures in the Gulf where I live, by praying like this each day:

I send the healing energy of love and gratitude to the water and all the living creatures

in the Gulf of Mexico and its surroundings.

To the whales, dolphins, pelicans, birds, fish, shellfish, planktons, corals, algae and all living creatures

I am sorry.

Please forgive me.

Thank you.

I love you."

Alternative energy supplies are already known but have been suppressed, I hope that this disaster is bringing home a sense of urgency for safe technology to be introduced without delay.

Blessings and love

Christine ☺

“WATER” The Great Mystery

You are invited to a viewing of the DVD “WATER” The Great Mystery followed by a Healing Circle and a Heart Warming Soup

Research shows that water records information and with each interaction it acquires new memory which changes its structure. The chemical composition of water is not as important as its structure according to the scientists... A fascinating documentary; imparting an important message.

World Peace Card Meditation

Wednesday, July 14, 7:30pm
(Based on local time in your time zone)

You are invited to take part in the next World Peace Card Meditation. Please mark your calendar and forward this email to all your friends.

A World Peace Card group meditation has been scheduled for Wednesday, July 14 at 7:30pm. This is local time in your time zone. This method has been chosen because of the special effect it produces. As people meditate in each successive time zone the energy builds like a wave, which gets stronger and stronger as it circles the planet. Because of the higher dimensional nature of consciousness, the energy of peace will be transmitted for a full 24 hours and continue long after this.
